SECTION I - INTRODUCTION TO SUMMARY OF BENEFITS

The benefit information provided is a summary of what we cover and what you pay. It does not list every service that we cover or list every limitation or exclusion. To get a complete list of services we cover, call us and ask for the “**Evidence of Coverage**.” You can also see the Evidence of Coverage on our website, www.VivaHealth.com/Medicare/Member-Resources.

You have choices about how to get your Medicare benefits

- One choice is to get your Medicare benefits through Original Medicare (fee-for-service Medicare). Original Medicare is run directly by the Federal government.
- Another choice is to get your Medicare benefits by joining a Medicare health plan (such as **VIVA MEDICARE Classic**).

Tips for comparing your Medicare choices

This Summary of Benefits booklet gives you a summary of what **VIVA MEDICARE Classic** covers and what you pay.

- If you want to compare our plan with other Medicare health plans, ask the other plans for their Summary of Benefits booklets. Or, use the Medicare Plan Finder on <https://www.medicare.gov>.
- If you want to know more about the coverage and costs of Original Medicare, look in your current “**Medicare & You**” handbook. View it online at <https://www.medicare.gov> or get a copy by calling 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

SECTION I - INTRODUCTION TO SUMMARY OF BENEFITS

Who can join?

To join **VIVA MEDICARE Classic**, you must be entitled to Medicare Part A, be enrolled in Medicare Part B, and you must live in our service area. Our service area includes these counties in Alabama: Jackson, Limestone, Madison, Marshall, and Morgan.

Which doctors, hospitals, and pharmacies can I use?

VIVA MEDICARE Classic has a network of doctors, hospitals, pharmacies, and other providers. If you use providers that are not in our network, the plan may not pay for these services.

You must generally use network pharmacies to fill your prescriptions for covered Part D drugs.

You can see our plan's provider and pharmacy directories at our website (www.VivaHealth.com/Medicare/Member-Resources).

Or, call us and we will send you a copy of the provider and pharmacy directories.

What do we cover?

Like all Medicare health plans, we cover everything that Original Medicare covers – and *more*. Some of the extra benefits are outlined in this booklet.

We cover Part D drugs. In addition, we cover Part B drugs including chemotherapy and some drugs administered by your provider.

- You can see the complete plan formulary (list of Part D prescription drugs) and any restrictions on our website, www.VivaHealth.com/Medicare/Member-Resources.
- Or, call us and we will send you a copy of the formulary.

How will I determine my drug costs?

Our plan groups each medication into one of five “tiers.” You will need to use your formulary to locate what tier your drug is on to determine how much it will cost you. The amount you pay depends on the drug's tier and what stage of the benefit you have reached. Later in this document, we discuss the benefit stages that occur: Initial Coverage, Coverage Gap, and Catastrophic Coverage.

**If you have any questions about this plan's benefits or costs, please contact
